Says Some Progressives Will Vote Independently

The declaration attributed to J. S. Woodsworth, leader of the Progressive party, that some of his followers will vote independently in the coming election, has caused a stir in the ranks of the party. Woodsworth, in a speech at Regina, last night, declared that he was not in a position to qualify as an independent because he has always declared himself a Progressive, and that he would not vote against the government or the opposition according to the view of the merits of the question.

His colleagues, at A. Hope, is expected to take a similar stand. Then there is the great group, headed by Rev. Henry Stanger, of Battle River; Cooke, of Medicine Hat; and Wardlaw, of Lacombe, who are also expected to take a similar stand.

The elected legislator, however, is expected to take a similar stand. Then there is the great group, headed by Rev. Henry Stanger, of Battle River; Cooke, of Medicine Hat; and Wardlaw, of Lacombe, who are also expected to take a similar stand.

Embargo Placed On Grain Routed West

Effective midnight on Saturday, an embargo was placed on all grain to Vancouver. This embargo applies to all grain from the Canadian Pacific and Canadian National railways "until further notice." Such a step was quite expected by the grain trade owing to the enormous quantity of grain that has for some time been routed to Vancouver, practically all of which has been tough and has needed drying. The drying facilities could only cope with about 65,000 bushels a day whereas the daily shipments of wheat for some time past have been in the neighborhood of half a million bushels.

There is a possibility of some of the wheat from the north being sent to Prince Rupert by the government elevator there is now in operation. It has a capacity of two and a half million bushels.

No Coarse Grains Pool This Year

No coarse grain pool or other organization for handling of coarse grains will be put into operation this year, says the Alberta Wheat Pool. The decision was arrived at after an arrangement for the handling of coarse grains was reached at a meeting of the board of directors of the pool, and it was decided that no contracts being received by the pool from the farmers before Nov. 1, this time last year by the pool, and the agreement reached are therefore void of no effect.

Members of the board of directors of the Alberta Wheat Pool, together with the secretary and manager of the pool, attended a meeting in Winnipeg last week of the Western pool, the Canadian Co-operative Wheat Producers' Association.

Christmas Travel Expected To Be Heavy

The glow from this year's "Yuletide" has not yet faded in railway cars as many family reunions around the home fires as in years gone by. The increase since the boom days of ten years ago is being met by the railway companies by increasing the number of inquiries being received by the Canadian National Railway regarding services and ticket rates.

There are being received to great numbers of inquiries from all over the country, asking for particulars of the services to the East. Country and coast, and the points which will be available.

Reservations to the West will be available at all C.N.R. stations from December 1 to the eastern boundary of British Columbia until January 5 at the special rate. Water carriers from the coast to the Western States will be operated at special rates from Vancouver points which will be available.

For the convenience of Western Canada, special routes, special rates have been arranged with a number of assembly lines to Canadian National and coast to the Western States, and special rates for the coast to the Western States will be operated at special rates from Vancouver points which will be available.

Three Men Killed By Mine Blast

An explosion, believed to have been caused by a delayed shot, wrecked a new prospect coal shaft at Kirkpatrick, six miles west of Daumshill, at 3 o'clock Friday night, entomping three men and injuring another. All have been given up for the killed here.

Lewis Green, working from the Saturday morning, were unable to put down the tons of debris that covered the shaft. The mine must be excavated and re-tilted before further attempts can be made to find the bodies.

The three men killed were Mike Gilday, J. McLean, and E. Burke. Gilday was married with a large family. McLean married, no children, but his wife is in the hospital. Burke was single.

Five Months Imprisonment

The sentence handed out to Dan McDonald by J. McDonald, J.P., at Drumheller, on a charge of indecent exposure, he was fined \$20 and, or, one month; for being in illegal possession of liquor, \$200 and, or, one month; and for resisting arrest \$25 or two months, the sentences to be served consecutively. He went to jail.

Premier Giesbrecht, when queried about a story which alleged that he would allow the children to be taken, saying that he was not in the hands of his supporters, replied: "I have not resigned."

2,758 New Members For Wheat Pool

Despite the crash to complete thinking in many parts of the province, the Alberta Wheat Pool has managed to receive new recruits, no less than 2,758 new members being enrolled during the week-end. Up to Monday night the total number of new members received was 2,758, and the total number increased the average in the pool by 232.21 new.

Commencing November 30, Wm. T. McLeod, president of the pool, will be in charge of the pool's work in organization work for the U.P.A. during the campaign for the U.P.A. election, and will be in charge of the pool's work in organization work for the U.P.A. election.

Winter Season IS AT HAND

Now is the time to get that HEATING SECTOR. Only a few left. I have several Six-hole Ranges, at the following prices:

- 1 Moffat Range, at \$75.00
- 1 Moffat Range, at \$95.00
- 1 Aklank Range, at \$98.00
- 1 McClary Range, at \$105.00

I will take in exchange your old stove, and allow you a fair price on it.

The statue of success in British, world has had the effect of directing orders for approximately 20,000 tons of supplies in British Columbia mills. This would not have been possible after the Canadian-American trade which went into effect on October 1, giving Canadian-Americans equal access to the American market duty free, the same as the British products. This fitting of this order will represent the first large shipment of this commodity by Canada to America.

Boy Scout Sends Fifty-five and Wants

The International Bureau of Boy Scouts' policy of communication between boys of the different nations has brought to Regina Scout headquarters a strange letter in a foreign language, the only English words being written on the envelope.

inside were 65 postage stamps and two scraps of paper with a message which defied all attempts at pronunciation. The epistle was given in charge of an interpreter, who gave the translation thus: "To whom it may concern, I am sending you postal stamps (Hungarian), which, please, keep as evidence for others."

The letter took two months to arrive and was covered with postage stamps, whose denomination was 1,600 and 3,600 Kronas, the total cost being
